

Murales en Genalguacil, Encuentros Internacionales de Arte.

*Maria Bueno, another painter, asked residents for their favorite cooking recipe, as well as permission to then turn the recipe into a mural painting on the wall of their house or restaurant.*

*"I think that is much more rewarding than having my work inside a museum, as if it was put inside a box," Ms. Bueno said. "I really believe this festival should allow the village to breathe art in a way people here haven't done before."*

New York Times, 2014.
